

भारतीय प्रौद्योगिकी संस्थान खड़गपुर
INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR

Administrative Notification No. 07/ 2025 dated March 11, 2025

Sub : Cybersecurity Awareness for Institute Employees

The undersigned is to inform that a communication has been made by the Indian Computer Emergency Response Team (CERT-In) to explore the ways to increase Cybersecurity awareness among Institute employees. CERT-In has recommended to explore the **Information Security Education and Awareness (ISEA) Portal**, an initiative of Ministry of Electronics and Information Technology (MeitY), Government of India aimed at human resources development for safe, trusted and secure cyber space. The link of the referred portal is <http://isea.gov.in>.

A step by step guide prepared by CIC to explore the above referred portal for benefit of the Institute employees is **attached** along with this communication.

All employees of the Institute are requested to explore this portal for increasing the Cybersecurity awareness which will help to implement organization level Cyber Crisis Management Plan (CCMP) for countering Cyber-attacks and Cyber-terrorism as per the direction of Ministry of Electronics and Information Technology (Meity) and Ministry of Education.

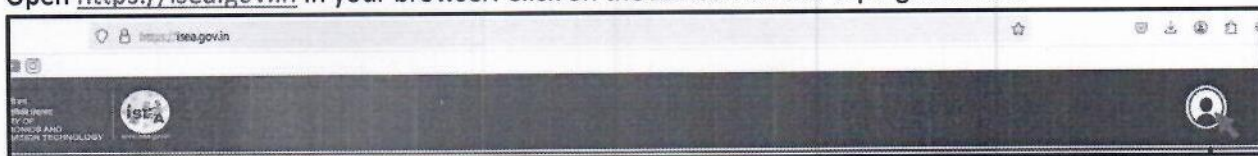

This is issued with the approval of the Competent Authority.

1. Open <https://isea.gov.in> in your browser. Click on the  icon on the top right corner.

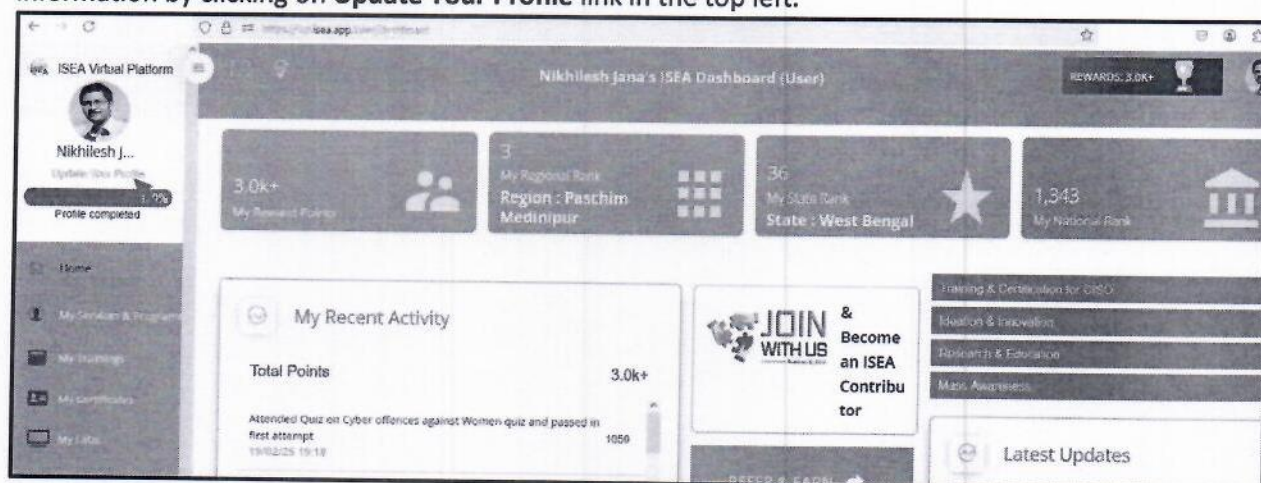

2. Login using your mobile number and OTP / email and OTP.

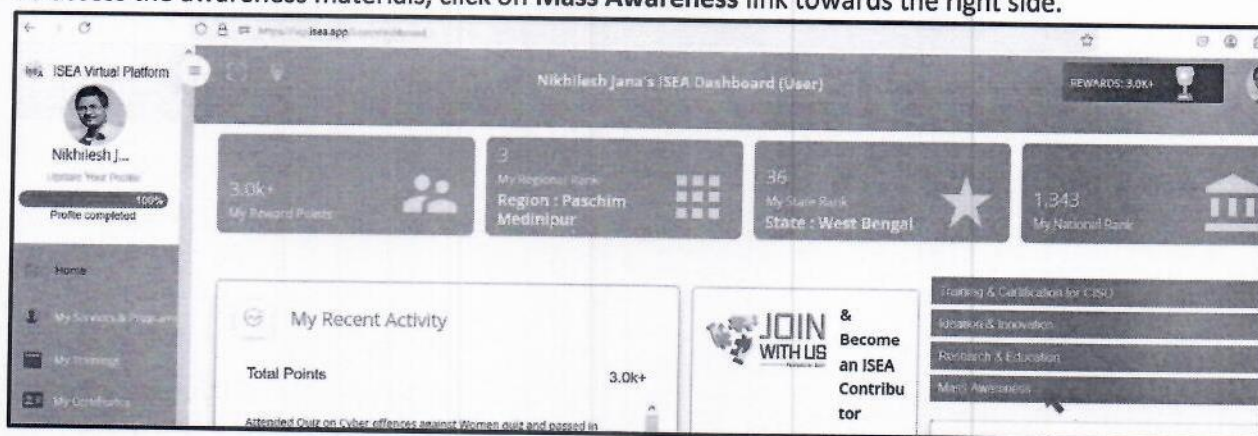

3. Post login, in case you are prompted with screen like below. Click on the **Login** button in the top right corner.

- Post successful authentication. It will take you to your dashboard. You may update your profile information by clicking on **Update Your Profile** link in the top left.

- To access the awareness materials, click on **Mass Awareness** link towards the right side.

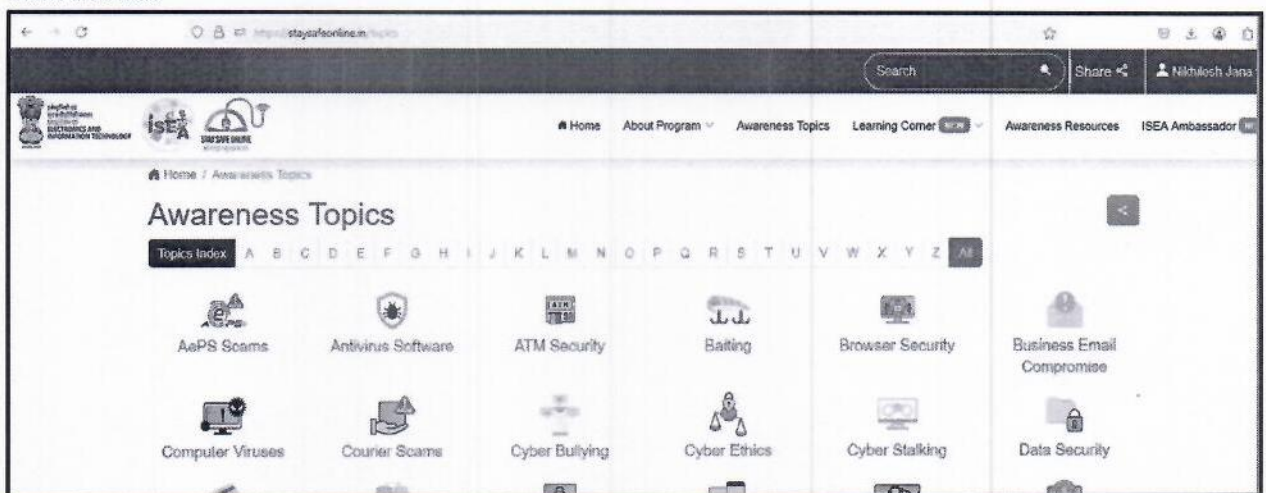

- On click you will be taken to another site. Click on the **Login** button on top right. It will automatically log you in and retrieve your profile information from the previous website. Once you are logged in, instead of the **Login** button, you will notice your name displayed.

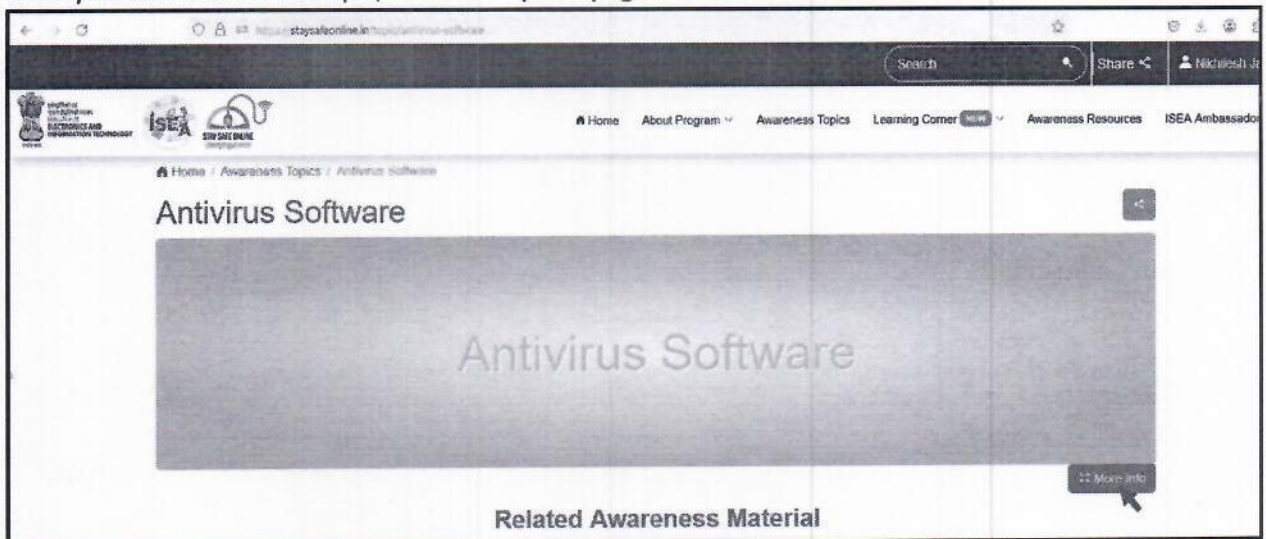

7. Click on **Awareness Topics** link.

8. Multiple **Awareness Topics** will be displayed on the screen. You may click on your desired topic from the list.

9. Once you have selected a topic, it will take you a page similar to below. Click on **More Info**.

10. It will take you to the course details page. Use the navigation buttons to browse the topic.

The screenshot shows the STAYSAFE ONLINE course details page. The browser address bar displays the URL: <https://staysafeonline.in/course/antivirus-software/here-is-why-antivirus-software-is-needed>. The page header includes the Ministry of Education logo, ISEA logo, and navigation links: Home, About Program, Awareness Topics, Learning Corner (active), Awareness Resources, and ISEA Ambassador. A search bar and a user profile (Nikhilash Jais) are also present. Below the header, a row of topic buttons includes: Introduction, Why, Explain, Detail, Q&A, Quiz, MCQ, Download, ISEA, Audio, and Video. On the right, buttons for 'Review Content', 'Audio', and 'Share' are visible. The main content area is titled 'Here is why antivirus software is needed' and includes a list of seven points: 1. Malware Protection, 2. Real-time Monitoring, 3. Regular Updates, 4. Web Protection, 5. Email Security, 6. System Performance, and 7. Peace of Mind. A sidebar on the left contains a list of topics: Introduction, Here is why antivirus software is needed (active), Types of Anti-virus software, Different anti-virus software currently available in market, Choosing the best anti-virus software, and Best practices. A 'Follow' button is located below the sidebar. At the bottom, there are 'Previous' and 'Next' navigation buttons.

11. You may also browse through the other tabs for multiple exiting resources – (Quiz, Assessments, Certificates etc.).

This screenshot shows the same STAYSAFE ONLINE course details page, but with the 'Learning Corner' tab selected in the navigation bar. The page layout is identical to the previous screenshot, showing the header, navigation links, search bar, user profile, topic buttons, sidebar with the 'Introduction' topic selected, and the main content area. The 'Follow' button and 'Previous/Next' navigation buttons are also visible.
