INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR
KHARAGPUR - 721302

Tender Notice no.: IIT/CIC/IP-PBX/2026-27/19 dated: 19/08/2026

Date: 19/08/2026

NOTICE INVITING TENDER

Indian Institute of Technology Kharagpur, an Institute of Eminence, invites sealed bids **from all Indian Manufacturers/Service providers or their authorized vendors, having registered office in India** who fulfil the criteria mentioned in the Tender document and have adequate credential, for the upgradation of active network infrastructure in selected areas of the campus at the Department of Computer & Information Centre(CIC), IIT Kharagpur.

Interested parties may submit their sealed bids under the Two Bid System as per **Technical Specifications** given at **Annexure I** and **General Terms & Conditions and other formats** given at **Annexure II to XIV**. Two covers (Technical Bid and Price Bid) are to be sealed and to be placed in one large Cover superscribed with tender reference number **(Tender No.: IIT/CIC/IP-PBX/2026-27/19 dated: 19/08/2026)** and to be submitted to 'The Head, Computer & Informatics Centre, Indian Institute of Technology, Kharagpur, P.O. Kharagpur Technology, PIN: 721 302" **on or before 10/09/2026 at 3.30 PM**. Technical Bids will be opened on **10/09/2026 at 4.30 PM**.

The technical bids will be evaluated first and price bids will be opened in respect of those OEMs/Vendors, who are found to be technically qualified after evaluation of Technical bids. Date for opening price bids will be intimated later.

Kindly refer to the Institute website **www.iitkgp.ac.in** [link: Tenders] for complete tender details. The same is also available in the CPP Portal [<https://eprocure.gov.in/epublish/app>]. If there is any corrigendum/addendum, it shall also be published on the Institute's Website and Central Public Procurement Portal.

GENERAL TERMS AND CONDITIONS

- 1. Tender Fee:** Tender fee(s) **Rs. 1,500.00/-** (By way of demand draft from any Commercial Bank and paid in favour of 'Indian Institute of Technology Kharagpur', payable at Kharagpur). **IIT Kharagpur** will give exemption for submission of tender fee who are registered with MSME, NSIC or start-ups as recognised by DIPP. However proper and valid document in this regard must be submitted by the bidders in support of their claim. Tender fee should be kept in separate covers and place in technical bid cover.
- 2. Earnest Money Deposit (EMD):** **Rs. 1,72,000.00/-** (By way of Bank Guarantee / demand draft from any Commercial Bank and paid in favour of 'Indian Institute of Technology Kharagpur', payable at Kharagpur). IIT Kharagpur will give exemption for submission of EMD who are registered with MSME, NSIC or start-ups as recognised by DIPP for the tendered item/services. However proper and valid documents in this regard must be submitted by the bidders in support of their claim. EMD should be kept in separate covers and placed in technical bid cover.
- 3. Payment Terms:** 50% (value of the delivered items of the purchase order) payment will be made after the successful delivery and testing, 40% (value of the delivered items of the purchase order) after successful installation and commissioning of the materials and certified by Head, Computer and Informatics Centre. Balance 10% may be released against submission of Insurance Surety Bond, Account Payee Demand Draft, Fixed Deposit Receipt from any commercial bank to the tune of 3% of the total Contract value or on completion of the warranty period. PBG may be issued from any commercial bank, which shall be valid for the duration of warranty period plus 60 days. No advance/mobilization support, is payable against supply of stores.
- 4. Performance Security:** The bidders have to submit an Insurance Surety Bond/ Account Payee Demand Draft/ Fixed Deposit Receipt from a commercial bank to the tune of the amount equivalent to 3% of the cost of contract value from any Nationalized Bank. **(Based on the payment terms, provision of PBG may be provided by the Department before publishing the tender).** The Insurance Surety Bond/ Account Payee Demand Draft/ Fixed Deposit Receipt from a commercial bank is required for the entire period of the Warranty period and it must remain valid for a period 60 (sixty) days beyond the expiry of the Warranty Period.
- 5. Liquidated Damages:** In the event of failure to deliver the stores within the specified time, LD a sum equivalent to 0.5 (half) per cent of the delivered price (including elements of GST, freight and variations) of the delayed Goods and/or incidental Works / Services for each week of delay or part thereof until actual delivery or performance, subject to a maximum deduction of the 5% (or any other percentage if prescribed in the contract) of the total contract value. In case of inordinate delay this maximum deduction shall be 10% of the total contract value. Inordinate delays: Inexcusable delays of more than one-fourth (25%) of the total completion period shall be treated as inordinate delays.
- 6. Warranty/Guarantee & On-site skill support (if any):** Five years onsite comprehensive OEM warranty will start from the date of successful delivery, testing and installation of all items

certified by the Head, CIC, IIT Kharagpur. The firm has to guarantee the supply of spares and support for a minimum period of 7 years.

7. Delivery and Successful Installation of the Stores:

The store items are to be supplied within **90** days from the date of receipt of the Purchase Order.

8. Price:

- a. The Price should be quoted in INR only.
- b. The price should be quoted 'FOR IIT Kharagpur' basis. The price should be all inclusive.
- c. The unit prices should be for the same unit as indicated in the Schedule to tender enquiry and not for any other unit.
- d. Discount, if any, should be indicated separately/prominently.
- e. Offers should normally be on fixed and firm price basis. Any clause making price variation will not be acceptable.

9. Bid: Technical Bid and Price Bid should be submitted in two separate sealed envelopes quoting reference number on the top of the envelope. **Tender Fee, if any should be enclosed with the Technical Bid documents, in separate sealed envelope, stapled with the packet containing Technical Bid documents.**

10. Award of the Contract: The order shall be placed to successful L1 bidder.

11. Acceptance of Tender: The Authority of IIT Kharagpur does not bind itself to accept the lowest priced bid and reserves the right to reject any or the entire tender bids received without assigning any reason thereof.

12. The addendum/corrigendum if any shall be published on Institute's **Website i.e. www.iitkgp.ac.in and on CPP Portal.**

13. Extra Features: If the bidder provides any other extra features on the hardware or software which are not mentioned in the tender product specifications, then that shall be highlighted in clear terms, with documentary evidence/literature.

14. Compliance List: The proposal should be properly indexed and a compliance list against the technical specifications should be provided.

15. Installation and Commissioning: Free of cost at Computer & Informatics Centre, IIT Kharagpur. The supplier must ensure timely installation including an experimental test setup with necessary support to the indenters, as per details and lists to be made available by the Stores & Purchase Section or the indenting Departments/Centres/Schools.

16. Onsite Manpower Support: One **onsite network support engineer** to be posted for 5 years to provide support for operation and maintenance services during the warranty period. The engineer should have either B.E/B.Tech with min 2-3 years' experience in networking/Diploma in engineering or B.Sc with minimum 4-5 years' experience in networking. All break, fix/maintenance/operational calls should be attended to within 1 hour.

17. Site preparation: The supplier shall inform to the Institute about the site preparation, if any, needed for the installation of equipment, immediately after the receipt of the purchase order.

The supplier must provide complete details regarding space and all the other infrastructural requirements needed for the equipment, which the Institute should arrange before the arrival of the equipment to ensure its timely installation and smooth operation thereafter. The supplier shall visit the Institute and see the site where the equipment is to be installed and may offer his advice and render assistance to the Institute in the preparation of the site and other pre-installation requirements

18. The benefit of any downward price revision (revision on account of budget/financial policy, tax revision, EPZ etc.) is to be given to IIT Kharagpur by the selected OEM/vendor.
19. Past Performance of the Vendors will be judged at the time of Technical Evaluation.
20. The Institute does not bind itself to offer any explanation to those bidders whose technical bids have not been found acceptable by the Technical Evaluation Committee of the Institute.
21. Bidders should enclose the following documents:
 - a. Purchase order to be placed on: Should be mentioned in the quotation with full address, email address, phone number.
 - b. Proforma Price Bid (without mentioning the price rate) may be attached with technical bids.
22. Sealed bids are to be handed over in a sealed packet in the Office of Computer & Informatics Centre, IIT Kharagpur-721302. The bids (technical and price bids) once submitted shall be the property of the Institute and shall not be returned to the vendor in future. For delivery of bid through speed post, the Postal Address is:

**Head
Computer & Informatics Centre
IIT Kharagpur-721302, West Bengal**

23. **Opening of Price Bids:** The Price Bid(s) of only those vendor(s) who are found technically qualified will be opened and the same will be opened before the technically qualified vendor(s). The date for opening of price bids will be intimated separately by email.
24. Tenderer or his/her authorized representative (with proper authorization letter for attending opening of technical bids and also for opening of price bids) may choose to be present at the time of opening of Technical Bids/Price Bids.
25. **Disqualification of Tender:** The tenders are liable for rejection in the following circumstances:
 - a) If they are not in line with the terms and conditions of this tender notice
 - b) Conditional quotations
 - c) Incomplete tenders
 - d) Tenders without Tender Fee and/or Bid Security Declaration
 - e) Tenders submitted through Fax or e-mail
 - f) If two bid system is not followed
 - g) Bid received simultaneously from Indian agent on behalf of Principal/OEM and Principal/OEM itself for same item/product/services in the same tender

h) The Firm needs to quote all the charges /prices as per the tender requirement, if any firm quote nil charges/consideration, the bid shall be treated as unresponsive bid and will not be considered.

IMPORTANT NOTE

- I. The Institute may accept or reject any or all bids, either fully or partially in line with GFR 2017, the Manual for Procurement of Goods, the Manual for Procurement of Consultancy & Other Services, the Institute Procurement Guidelines, and applicable Government Orders and their amendments from time to time, and with the due approval of the Competent Authority. Also, the Institute is not bound to accept the lowest bid and may also change the quantity, upgrade the criteria, or drop any item or part thereof at any stage, if the situation so demands, before issuing the Purchase Order.
- II. A bid submitted with false information will not only be rejected but also the OEM/ vendor will be debarred from participation in future tendering process.
- III. In case of any dispute, the reasoned and justified decision of the Competent Authority of this Institute shall be final and binding on the bidders.
- IV. In the event of any dispute between the management and the Contractor relating to those Contracts where Integrity Pact is applicable, in case both the parties are agreeable, they may try to settle dispute through mediation before the panel of IEMs in a time bound manners (para 5.6 of circular no. 04/06/23 of CVC).
- V. In case the due date for opening tender happens to be a holiday, the same will be opened on the next working day. The timings will however remain unchanged. Please Note that the Institute remains closed on Saturday, Sunday and Institute holiday.
- VI. The Bidders are requested to submit the bids after issue of clarifications only considering the changes made if any. Bidders are totally responsible for incorporating/complying the changes/amendments issued if any, in their bid.

INSTRUCTIONS & SPECIAL CONDITIONS

1. **General:** Only Indian Manufacturers/Service Provider or their Authorized Vendors, having registered office in India are invited to quote.

A. Compliance under Rule 144 (xi) of the General Financial Rules (GFRs) 2017

- I. **As per the order issued from file No.6/18/2019-PPD dated 23rd July, 2020 by Public Procurement Division (Public Procurement No.1), Department of Expenditure, Ministry of Finance & the Order issued from time to time** regarding Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs) 2017, it is directed that any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority i.e. the *Department for Promotion of Industry and Internal Trade (DPIIT)*.
- II. **“Bidder”** (including the term ‘tenderer’, ‘consultant’ or ‘service provider’ in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency, branch or office controlled by such person, participated in a procurement process.
- III. **“Bidders from a country which shares a land border with India”** for the purpose of this Order means:
- a) An entity incorporated, established or registered in such a country; or
 - b) A subsidiary of an entity incorporated, established or registered in such a country; or
 - c) An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - d) An entity whose *beneficial owner* is situated in such a country; or
 - e) An Indian (or other) agent of such an entity; or
 - f) A natural person who is the citizen of such a country; or
 - g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above
- IV. The *beneficial owner* for the purpose of above will be as under: -
- 1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercise control through other means.

Explanation-

- a) “Controlling ownership interest” means ownership of or entitlement to more than twenty-five per cent of share or capital or profit of the company;
- b) “Control” shall include the right to appoint majority of the directors or to control the management of policy decisions including by virtue of their shareholding or management rights or shareholder’s agreements or voting agreements;

2. In case of a partnership firm, the beneficial owner is the natural person (s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership

V. An agent is a person employed to do any act for another, or to represent another in dealings with third person.

VII. For Works contracts, including Turnkey contracts, the successful bidder shall not be allowed to subcontract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.

A certificate (duly filled & signed) shall be submitted by bidders in the tender documents regarding their compliance with the said order as per **Annexure XI**. If the certificate submitted by a bidder whose bid is accepted is found to be false, this would be a ground for immediate termination and further legal action in accordance with law.

B. Compliance under Rule 153 (iii) of the General Financial Rules (GFRs) 2017

It is mandatory for bidders to quote items having 20% or more local content. Refer revised Public Procurement (Preference to Make in India), Order 2017

P-45021/2/2017-B.E-II dated 16.09.2020 and the order issued from time to time by Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India. (Submit duly filled **Annexure XI** for the same).

Also, as per DPIIT, Ministry of Commerce and Industry OM vide no: P-45021/102/2019-BE-II-Part (1) (E-50310) dated 04.03.2021, bidders can't claim themselves as Class-I local supplier / Class-II local supplier by claiming the services such as transportation, insurance, installation, commissioning, training and after sales service support like AMC/CMC etc. as local value addition.

2. **Deviation from Specifications:** It is in the interest of the tenderer to study the specifications in the tender schedule thoroughly before quoting so that, if the tenderer makes any deviations, the same are prominently brought out in the body of the tender. If you need to add any optional items to your system in order to meet our specifications, you are requested to quote for the total including the option required to suit our requirements. Otherwise, your tender will not be considered at all.

3. **Tenderers shall submit along with their Tender:** (i) Complete address and tele links for contact persons of manufacturers/service providers/authorized vendor's offices dealing with this purchase. (ii) Name and full address of the manufacturers/service providers/authorized vendors (iii) **Country of origin** is to be provided for each item. (iv) Purchase order to be placed on: Should be mentioned in the quotation with full address.
5. **Guarantee:** The tenderer has to declare that the goods sold to the buyer under this contract shall be of the best quality and workmanship and shall be strictly in accordance with the specifications.
6. **Patent Rights:** The Supplier shall indemnify IIT Kharagpur against all third-party claims of infringement of patent, trademark or industrial design rights, copyrights arising from use of the Goods or any part thereof in India.
7. **Indemnity:** The vendor shall indemnify, protect and save IIT Kharagpur against all claims, losses, costs, damages, expenses, action suits and other proceedings, resulting from infringement of any law pertaining to patent, trademarks, copyrights etc. or such other statutory infringements in respect of all the equipment(s) supplied by him.
8. **Jurisdiction:** All questions, disputes, or differences arising under, out of or in connection with the contract, if concluded, shall be subject to the exclusive jurisdiction at the place from which the acceptance of Tender is issued i.e. Jurisdiction of KOLKATA HIGH COURT. Acceptance to this effect is also necessary at the time of opening of Technical Bid.
9. **Acknowledgment:** It is hereby acknowledged that we have gone through all the points listed under "Instructions & Special Conditions" outlined above, and those in the accompanying note on "Important Conditions", and we agree to abide by them under the penalty of permanent disqualification for Tender participation and for related penal actions for non-abidance of the conditions.
10. **Integrity Pact:** The bidder shall have to sign the Integrity Pact with the Institute as per Institute norms in case the Lowest Quoted Price is equivalent to or exceeds the threshold value of Rs. 01 Crore.

MINIMUM ELIGIBILITY CRITERIA / PRE-QUALIFICATION CRITERIA

1. **Registration Certificate(s):** Self-attested photocopies like Certificate of incorporation, PAN, GST, Trade License shall be provided with the bid document.
2. **Past Experience of the bidder:**
 - a. The bidder should have minimum 3 years of working experience in India in the domain of network infrastructure, with sales and support office in Eastern India. Documentary proof (Copy of 7 years or older purchase order from any reputed organization related to networking items) must be submitted.
 - b. The bidder should have at least 3 orders (each of minimum Rs. 28 lakh)/2 orders (each of minimum Rs. 33 lakhs)/ 1 order (of minimum Rs. 38 lakh) for supply, installation, testing, commissioning and operation/maintenance of IT Network Infrastructure network equipment in the last 3 years either directly or through a system integrator (if bid submitted from OEM). Copies of purchase orders to be submitted as supporting documents.
3. **Annual Average turnover for last three Financial Year:** The bidder should have a minimum average turnover of Rs. 3 Crore during last three financial years. The bidder should be a profit-making entity for each of the last 3 years. Bidder shall enclose CA Certificate/Audited statement.
4. **ISO Certification, if any:** The bidder should have both valid ISO 27000 Certification and ISO 9001 Certification. Valid certificates must be produced along with the bid
5. **Income Tax Return (ITR) for last three Financial Year:** Bidder shall enclose ITR certificates.
6. **Non-blacklisting certificate:** The bidder should not have been suspended or blacklisted by any Govt. Organization. **(An undertaking to this effect must be submitted by the bidder that the firm has not been suspended or blacklisted by any Govt. Organization in the past or as on the date of bidding).**

Note: The condition of prior turnover and prior experience may be relaxed for Start-ups (as defined by Department of Industrial Policy and Promotion) subject to meeting of quality & technical specifications and making suitable provisions in the bidding document (Rule 173 (i) of GFR 2017)

7. OEM Qualifications:

- I. OEM of active components should have a registered office and a spare depot in India. Documentary proof from OEM must be submitted.
- II. OEM of active components should have 24/7 toll-free call centers for providing technical assistance. Documentary proof from OEM must be submitted.
- III. Voice gateways and IP-PBX must be same OEM.

8. General Conditions:

I. Bidders are required to visit the site before quoting their products. During the site visit, the vendor should review the current network topology and ensure that the quoted product can be integrated with the existing setup.

II. IIT Kharagpur has an existing LAN and voice network. The proposed network solution shall be integrated with the existing network. **The Bidder shall submit an undertaking on its letter head.**

NOTE:

1. **Must attach all relevant documents in the same serial order as above, properly indexed, duly signed.**
2. **This is to be submitted in a separate sealed envelope** super scribing “TECHNICAL BID”, Notice inviting **Tender Reference no.** and name of the bidder.
3. Price bid of that company/firm only will be opened which do technically qualify, for further consideration. **Attach all relevant documents in the same serial order as above, properly indexed, duly signed and sealed.**

Signature and seal of the Bidder

TECHNICAL COMPLIANCE STATEMENT

The bidder needs to provide complete technical details of the offered components. Only mentioning YES / NO in the compliance is not acceptable. Cross-references to proper technical datasheets / spec sheet / website links need to be provided against each parameter.

1. IP Telephony Software:**2.**

SN	Description	Compliance (Yes/No.)	Remark (Supporting Document Page No., Serial No.)
1	IP-PBX system with necessary software, hardware and license.		
1.1	The system must be a pure IP technology (IP at core). PCM-TDM based telephone system (card-based processor) is not accepted.		
1.2	The bidder shall mandatorily submit MAF with the bid from OEM whereby the OEM shall confirm for the service & spares availability for at least 10 Years of the offered solution from date of issuing LOA.		
1.3	Make and Model: (Bidder has to mention offered Make & Model). Bid submitted without make and model will be liable for rejection.		
1.4	The quoted model should be TEC approved. Vendor to submit a valid Latest TEC approval certificate issued by concerned authority, as mandated by the Ministry of Telecommunication for the make and model quoted along with the bid.		
1.5	OEM Profile should be registered on Trusted Telecom Portal		
1.6	OEM Should be ISO: 9001, ISO: 14001, ISO: 27001, ISO: 45001, RoHS, STQC certified.		
1.7	All Server, Gateway, VoIP Phones should be of same OEM.		
1.8	Perpetual License for Telephony Application System with redundancy of the complete System. License should		

	be universal and it can be used for Analog/IP/SIP trunk.		
1.9	The system should be IPv6 ready from day one. It should be possible to install the Telephony system monitoring, CDR analytics, automation and 3 rd party API integration and reporting software in VMs (Virtual Machine) also.		
1.10	Bidder has to provide software version updates of the complete system including applications during the warranty		
1.11	OEM should have valid EPR from Central Pollution Control Board for Electronic Waste.		
1.12	Terminal Support: System should support the following type of terminals: i. OEM or Third-party Analog Phones ii. OEM or Third-party IP phones & Video IP phones iii. IP Soft phones iv. OEM or Third-party Wireless IP Phones		
1.13	IP-PBX must be equipped with following features and facilities: i. 28 party Conference System. ii. DID/DOD iii. Centralized call-billing software. iv. Flexible number plan. v. The supplied system must be capable of working as a stand-alone system as well as in integrated mode with the other IP -PBX system. vi. Web based Administration for remote maintenance. vii. Parallel ringing on the user's mobile and on extension number both. viii. Auto call back to busy extension / trunk, All calls forwarding, Auto attendant, Auto Ring Back, Automated Number Identification (ANI), Built-in Boss / Secretary function, Built-in external music on hold interface, Caller Line Identification (CLI) for all subscribers, Call parking /call hold ,Call pick-up, Call transfer, Class of service restrictions, Do not disturb, Group calls ,Group hunting, Group pickup, Last number redial facility, Library , Call tracing, Music on hold ,Wake up Alarm, Automatic Call-back, Call forward, Call park, Caller party extension number display, Call waiting, Conference call, Direct inward dialing, Direct outward dialing, Distinctive		

	ringing, Voice mail for every user, Built-in IVR facility, Built-in Call Logging facility with reports.		
1.14	The Offered system should be able to support Enhanced Unified Communication features.		
1.15	Fax to e-mail & email to FAX facility by supporting T.38 Protocol.		
1.16	All applications such as Call Control, UCS, NMS, Database, LDAP, Billing, SBC, Load Balancer in single server. No separate server for any application.		
1.17	The Server should not host services like Telnet and FTP by default.		
1.18	System should support built-in SIP firewall including DOS, Blacklist, and Whitelist etc. VPN Server-client should be part of the solution.		
1.19	The solution should allow the servers and gateways to be placed at geographically separated locations on requirement.		
	Solution must support Load Balancing; Call Admission Control, Active-Active Servers, SBC and all should be of the same OEM.		
1.20	GUI based Centralized Management should be available for the telephony system including all the modules / servers in cluster. All gateways should be centrally managed by this GUI management.		
1.21	System shall work with exchanges of different make/technologies and integration of the existing system shall be done on PRI or SIP Trunk at the time of installation and commissioning by the bidder at free of cost as per approved from the Institute.		
1.22	System shall support analog phones at least 5 Kms. on 0.5 mm copper cable from the main exchange / gateway.		
1.23	The complete system should be compatible to tropical climate prevalent in India i.e. ambient temperature range +0 to +45 degree of Celsius and relative humidity of about 20% - 80%. Temperature certificate to be attached during submission of the bid.		

1.24	Fault detection/alarms: The software should have built-in self-diagnostics power and should constantly monitor the exchange performance and report/generate suitable alarms during any failures to indicate/ localize the fault/s besides keeping the error/logs for various hardware failure detected.		
1.25	The System must support Syslog services for both internal and external command and configuration control accounting with a minimum of 30-day history.		
1.26	Power Supply: Total system should operate on 220 V AC.		
1.27	The system should support PC telephony for all users. IP User – IP user should be able to view the call log on the computer and dial the numbers from computer. Users should be able to create own personal directory on its computer. User can search the name / number from the directory and dial the desired number directly from computer.		
1.28	The proposed solution must have built in redundancy using LAN network to provide automatic disaster recovery option.		
1.29	Tools: Tools & tackles required for the installation and commissioning & maintenance of the system are in the scope of the bidder.		
1.30	Call Billing / Monitoring Software: Call Billing software to provide details of all incoming and outgoing including internal calls (all incoming calls) between all ports (TDM, IP, CO, PRI). The bidder shall do the installation and commissioning. All other requirement if desired shall be borne by the bidder on its own cost.		
1.31	Licenses: i. 2500 flexible IP licenses in server (SIP enabled), which can be used in any type like Analog/IP/SIP trunk/PRI/CO lines etc. ii. One IP-based Operator Console without PC iii. One NMS License		
1.32	Scalability: i. The offered IP-PBX must have capability to scale to at least 5000 endpoints in a single cluster architecture. ii. It should be possible to add more sites and users without the need to change the software and		

	existing server hardware configuration. iii. System shall work with exchanges of different make/technologies and integration of the existing system shall be done on PRI or SIP Trunk at the time of installation and commissioning by the bidder at free of cost as per approved from EIC.		
1.20	Media Gateways: i. All gateways should be from the same OEM (IP PBX manufacturer and shall be 19" rack mountable. ii. Media Gateway (Analog) should be available in 8/16/24/32/48/72,96, 120,144 port from same OEM iii. Protocol/Signaling/Interfaces: SIP, SIP-TLS, SRTP, , Audio codecs: G.711, G.729a and G.723.1, RFC2833, fax support through T.38, modem support through G.711. iv. Shall have two Ethernet ports 10/100/1000 MBPS		
	PRI Gateways: i. Rack mountable PRI gateway should have Dual port Configuration - 2 PRI (60 Channels). ii. Power Input: Standard AC. iii. Dual LAN Port for Media Redundancy. iv. Protocol/Signaling/Interfaces: SIP, SIP-TLS, SRTP, , Audio codecs: G.711, G.729a and G.723.1, RFC2833, fax support through T.38, modem support through G.711. v.]It should support G.711, G.729A, G.723, echo cancellation G.168, DTMF relay RFC2833, fax relay T.30, T.38 and more. • PSTN – ISDN PRI standard: ANSI, NI-2, DMS, 5ESS • SIP – RFC3261, RFC2976, RFC3515, RFC3581 Shall have two Ethernet ports 10/100/1000 MBPS		

3. IP Telephony Server:

SN	Description	Compliance (Yes/No.)	Remark (Supporting Document Page No., Serial No.)
2.a	Servers should be commercially of the shelf (COTS) and should not be a proprietary server. (Specify Make and Model of Server). Server must have following minimum technical specifications: i. Processor: Dual Intel Xeon Silver (12-Core min) or Gold Scalable ii. RAM: 128 GB DDR4/DDR5 ECC (Minimum). iii. RAM Speed: 2933 MHz or 3200 MHz. iv. HDD Type: 4 Nos. 1.2TB 12G SAS 10K RPM hot swappable hard disk drives. v. RAID Controller: Hardware for 12G SAS HW Card with 2GB FBWC supporting RAID 0, 1, 5, 6, 10 (1+0). vi. Network Interfaces: Two nos. 1G and Two nos. 10G Ethernet ports with SR transceivers. Ports on motherboard should be treated as one card. vii. Redundant Power Supply: Server shall have duplicated power supply from day one. viii. Optical Drive DVD R+W (internal or External)		
2.b	License for Telephony Application Server with redundancy (Server License) of the complete system.		
2.c	Servers can be placed at geographically separated locations on requirement.		
2.d	Replication of database should be in real time between servers.		
2.e	All telephony servers must form a single cluster so that any gateway can be registered to any server without any problem in case of network / server failure.		
2.f	Both communication servers must work in Active-Active mode. If one server in the cluster fails, one of the other servers in the cluster in the network must be able to take the complete load of the calls automatically (without any manual intervention) without dropping active calls. System must support Call in progress / recovery during Ring in HA mode.		
2.g	Dual Power Input – Standard AC.		

2.h	The servers should be able to restart automatically without human intervention when the AC power supply is resumed after complete power failure.

3. 8/16/ 32 Port FXS Analog VoIP Gateway:

SN	Description	Compliance (Yes/No.)	Remark (Supporting Document Page No., Serial No.)
3.1	FXS i. Connector: RJ11 & RJ21 ii. Dial Mode: DTMF/Pulse Dialing iii. Pulse: 10 and 20 PPS iv. Caller ID: DTMF/FSK CLI Presentation v. Min. Cable Length: 5km vi. Loop resistance 1400 Ω vii. Reversed Polarity viii. Programmable Call Progress Tone		
3.2	Display & indicators i. FXS Ports ii. LAN LINK iii. PWR, RUN		
3.3	Network: i. Network Protocol: TCP/UDP, RTP/RTCP, ii. HTTP/HTTPS, ARP, ICMP, DNS, DDNS, DHCP, NTP, TFTP, TELNET, PPPoE, STUN, iii. Static/dynamic ARP iv. IPv4/IPv6, static/dynamic IP v. DHCP Client/PPPoE		
3.4	VoIP Protocols: i. TLS / SRTP ii. SIP v2.0 (UDP/TCP), RFC3261, SDP, RTP(RFC2833), RFC3262,3263,3264,3265,3515,2976,3311 iii. RTP/RTCP, RFC2198, 1889 iv. RFC4028 Session Timer v. RFC3266 IPv6 in SDP vi. RFC2806 TEL URI vii. RFC3581 NAT, rport viii. Primary/Backup SIP Server ix. Outbound Proxy x. DNS SRV/ A Query/NATPR Query		

	xi. SIP Trunk xii. Early Media/Early Answer xiii. NAT: STUN, Static/Dynamic NAT		
3.5	Voice & FAX i. G.711A/U law, G.723.1, G.729A/B, G.726 ii. Silence Suppression iii. Comfort Noise Generation(CNG) iv. Voice Activity Detection(VAD) v. Packet loss (PLC) vi. Echo Cancellation(G.168), with up to 128ms vii. Adaptive (Dynamic) Jitter Buffer viii. Programmable Gain Control ix. T.38/Pass-through x. Modem/POS xi. DTMF mode: Signal/RFC2833/INBAND xii. VLAN 802.1P,802.1Q xiii. Layer3 QoS and DiffServ		
3.6	Software Features i. Port Group ii. Web ACL iii. Telnet ACL iv. Action URL v. Digitmap vi. Routing Rules based Prefixes vii. Caller/Called Number viii. Manipulation		
3.7	Supplementary Service i. Call Waiting, Call Hold, call status ii. Blind Transfer, Attend Transfer iii. Call Forward on Busy/No iv. Reply/Unconditional v. Warm/Immediately Hotline vi. Do-not-disturb, MWI vii. 3-Way Conference viii. Fully compatible with leading IMS/NGN, SIP based IP telephony system		
3.8	Environment: i. Power Supply: 100-240VAC, 50-60 Hz ii. Optional DC Power: -48VDC(-40 to -60) iii. Power consumption: 40W(Typical) iv. Operating Temperature:0 °C ~ 45 °C v. Storage Temperature: -20 °C ~80 °C vi. Humidity:10%-90% Non-Condensing vii. Over-voltage protection		
3.9	Dimension: 440*250*44 mm. (W/D/H)		

4. Integrated Protection Module (IPM) for Subscriber Ports

SN	Description	Compliance (Yes/No.)	Remarks (Supporting Document Page No., Serial No.)
4.1	Application: Telecommunication networks, PBX systems, and data centers. Protection Type: 5-stage surge protection for both Line-Line and Line-Earth grounding, featuring GDT (Gas Discharge Tube) + Clamping Diode technology and integrated glass fuses for overcurrent protection. Maximum Continuous Operating Voltage (Uc): ± 180 V DC. Rated Current: 1.5 A at 25 °C. Max. Discharge Current (I_{max}, 8/20 μs): Up to 20 kA (total). Nominal Discharge Surge Current (I_n, 8/20 μs): 5 kA (Core-Earth). Pulse Discharge Current (I_{imp}, 10/350 μs): 1 kA. Voltage Protection Level (U_p): ≤ 900 V (spike) and ≤ 70 V (static) for C2 tests (10 kV/5 kA). Response Time (t_A): ≤ 100 ns (line-earth). Connectivity: Designed for Krone interface. Operating Temperature: from -40 °C to +85 °C for operation. Degree of Protection: IP20. Material: Durable plastic and metal, with a white finish.		

FINANCIAL INFORMATION

Tender No.:, dated:.....

Item Name:

Bidder Name:

Address and Contact no.:

PAN No....., GST No.....

Details to be furnished duly supported by figures in the Balance Sheet/ Profit & Loss Account for the last three preceding years (Financial years) duly certified by the Chartered Accountant, as submitted by the applicant to the Income Tax Department (copies to be attached).

Sl. No.	Details	Year ending 31st March		
		Last but two Financial Year (FY-3)	Last but one Financial Year (FY-2)	Last Financial Year (FY -1)
01	Gross annual turnover in the similar works			
02	Profit (+) / Loss (-)			

1. Income Tax Return
2. Audited Account of the company for last three years
3. Income Tax, PAN Details
4. GST No.

This is to certify that to the best of my knowledge and belief, the aforesaid facts and figures are correct and in conformity with the books of accounts of the establishment.

Dated: Signature of Chartered Accountant
with seal and membership number

DECLARATION

1. I, -----Son /Daughter of Shri -----
-----Proprietor/Partner/CEO/MD/Director/Authorized Signatory of
M/s.-----am competent to sign this declaration and
execute this tender document.
2. Tender ref no: _____ dt:_____. I have carefully read and
understood all the terms and conditions of the tender and hereby convey my acceptance of
the same.
3. The information/ documents furnished along with the above application are true and
authentic to the best of my knowledge and belief.
4. I/we am/are well aware of the fact that furnishing of any false information/ fabricated
document would lead to rejection of my tender at any stage besides liabilities towards
prosecution under appropriate law.
5. Each page of the tender document and papers submitted by my Company is authenticated,
sealed and signed, and I take full responsibility for the entire documents submitted.

DECLARATION OF LOCAL CONTENT

(To be given on Company Letter Head – For tender value upto Rs.10 Crores)
 (To be given by Statutory Auditor/Cost Auditor/ Practising Cost Accountant/ Practising Chartered Accountant for tender value in excess of Rs.10 Crores)

Tender No:.....

Dated:.....

To

The Chairman

Departmental Purchase Committee

Department of

IIT Kharagpur, PIN: 721302

Subject: Declaration of Local Content-reg.

1. Country of origin of Goods being offered:.....
2. We hereby declare that items offered has% *local content*.
(Clarification for Local content calculation as per OM No: P-45021/102/2019-BE-II-Part (1) (E-50310), dated 4th March 2021 of Department of Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Govt. of India.)
3. The details of the location(s) at which local value addition is made are given in the below table;

Sl. No.	Name of the item	Location(s) of local value addition (Complete address of the manufacturing unit with PIN code)
1	2	3

"Local Content" means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the item procured (excluding net domestic indirect taxes) minus the value of the imported content in the item (including all customs duties) as a proportion of the total value, in percent.

Important:

"False declaration will be in breach of Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules 2017 for which a bidder or its successors can be debarred for up to two years as per Rule 151(iii) of the General Financial Rules 2017 along with such other actions as may be permissible under law."

Date:

Yours faithfully,

(Signature of the bidder, with Official Seal)

(on the official Letterhead of the company/firm)**FINANCIAL BID FORMAT****Tender Notice No.: Procurement of IP-PBX System and Voice Gateways for Campus Ethernet-based Voice Services****Tender Notice no.: IIT/CIC/IP-PBX/2026-27/19 dated: 19/08/2026****Dated: 19/08/2026**

SN	Description	UoM	Qty.	Unit Price without taxes (in Rs.)	Taxes (in Rs.)	Unit Price with Taxes (in Rs.)	Total Amount (in Rs.)
			A	B	C	D=(B+C)	E =(A * D)
1	Unified IP-PBX Solution - 1000User HA and 2 2 Nos. 2U Servers (128GB RAM)	No.	2				
2	32-Port Voice Gateway	No.	18				
3	16-Port Voice Gateway	No.	10				
4	8-Port Voice Gateway	No.	12				
5	Integrated Protection Module for Ports	No.	832				
Total Bid Price with all taxes, including 5 years comprehensive onsite warranty							

In words : Rupees _____

1. Non-conformities between Figures and Words:

- If, in the price structure quoted for the required goods, there is discrepancy between the unit price and total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price shall be corrected accordingly;
- If there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and
- If there is a discrepancy between words and figures, the amount in words shall prevail.

Signature of the bidder along with seal

Scope of work

1. Supply, Installation, Configuration, and Commissioning of Voice gateways and IP-PBX as per the requirements of the Institute. Complete Network Infrastructure shall be provided with a Five (5) year comprehensive on-site warranty, along with operation and Maintenance (inclusive of Labour and Parts). The warranty period is defined in clause no. 5 of Annexure II.
2. The newly supplied IP-PBX system must be deployed at the central side (CIC) in a High Availability (HA) configuration and integrated with the Institute's existing Cisco Call Manager (CUCM) through a SIP Trunk. The CUCM, currently acting as the core IP-PBX, maintains a redundant connection to the Central EPBX at the Telecom Center via two voice gateway routers for all external and campus-wide voice traffic. To ensure connectivity at the edge, new Voice Gateways (VGWs) must be installed in last-mile multistoried buildings to provide seamless interfacing for analog handsets. The bidder is strictly responsible for the comprehensive configuration and end-to-end integration of this setup, ensuring that all incoming and outgoing calls from the new VGWs are processed satisfactorily through the CUCM to external networks. Furthermore, the bidder must safeguard the integrity of the existing CUCM environment, ensuring that all current configurations remain operational while successfully implementing any necessary new or modified parameters to ensure full system functionality.
3. The Bidder must demonstrate all the functionalities of the quoted product (as mentioned in the tender document) before submitting the bid document. The timeline for such a demonstration must be discussed with the technical team at IIT Kharagpur.
4. The bidder should provide an on-site comprehensive warranty for five years on all active components from the date of installation, as mentioned in Annexure-XIII, Table 1. All products should have a 5-year 8 x 5 x NBD (Next Business Day) support commitment with a back-to-back agreement with OEM. In case of equipment failure, IIT Kharagpur should be able to log case with the OEM both through the bidder and directly without bidder intervention. Emergency response team should be available from OEM directly in case of any critical failures. OEM must have 24*7 TAC support to address and rectify the issue/problems occurring during the entire warranty period. Latest software upgrade for all products should be available free without any additional cost during the warranty.
5. The bidder will be liable for any hardware and software upgrades for maintenance without any extra cost during the warranty period. The technical bid must contain the make, model, and part number of all supplied components along with the supported part code.
6. In case of any future expansion / up-gradation within the warranty period, necessary changes in the configuration have to be done by the selected bidder for smooth integration / migration at no additional cost.
7. Replacement of defective equipment and shipment of the same should be the responsibility of the selected bidder without any financial commitment from IIT Kharagpur. The same has to complete within five working days after reporting the problem.

8. The bidder should provide support and assistance for resolution of major technical problems or technical issues with a highly qualified technical team at the backend to support the onsite team.
9. The bidder is responsible for all unpacking, assembling, wiring, installation, cabling between equipment and components, and connection to power supplies. They will test all System operations and perform all necessary setup, configuration, and customization to ensure the Network operates successfully at the site.
10. All the functionality, features and configuration shall be documented for all the equipment/components and shall be demonstrated with respect to the documentation prepared.
11. The bidder shall use their own sets of tools, tackles, etc., required for testing, commissioning, and warranty maintenance of the network.
12. The bidder shall bear any damage arising from the supply, installation, testing, commissioning & activation of network components, hardware, etc. The same has to be rectified by the agency at its own cost. In case the agency fails to rectify, the Institute shall rectify it, and the associated cost will be recovered from the agency.
13. All work shall be performed conscientiously in accordance with the OEM guidelines and best industry practices. The system shall be inspected at various stages. The bidder shall follow all safety regulations and practices.
14. The installation would be deemed complete after the delivery, self-testing, installation, integration of all equipment, and final acceptance and certification by the Head, CIC, IIT Kharagpur. The warranty period will commence upon final acceptance and certification by the Head, CIC, IIT Kharagpur.
15. The Institute has the right to inspect and/or test the material to confirm its conformity with the contract. If any inspected/tested goods fail to meet the specifications, the Institute may reject them. The supplier shall either replace the rejected goods or make the necessary changes to meet the specifications free of cost to the Institute.
16. The delivery schedule has to be submitted within 15 days of receipt of the purchase order.
17. OEM must provide free software upgrades during the warranty period.
18. The quoted active networking products should not be under end-of-support within the next 5 years from the date of submission of the bid. An OEM declaration must be submitted.
19. Any additional item which is not specified in the Bill of Quantity listed in Annexure-1 but required between the integration of the supplied items by the bidder with the Institute network need to be supplied and installed by the bidder at no extra cost to the Institute.

Checklist

(Bidder should fill up YES or NO without fail)

S.No	Bid Enclosures	Yes/ No
Technical Bid (Envelope – A) contains the following documents		
1	Tender fee of Rs...../ Exemption certificate	
2	EMD/Exemption certificate	
3	Technical Bid as per Annexure – V along with all supporting annexures, documents etc. as mentioned in the Tender document as per given sequence	
4	Signed Notice Inviting Tender (NIT) and corrigenda thereon, if any	
5	Any other supporting/ additional document/ information	
Financial Bid (Envelope – B)		
1	Price Bid (As per the format given at Annexure – XII)	

Note: All pages of the bid documents must be serially numbered and sealed & signed.
