Procurement of Ekahau AI Pro Bundle for Wi-Fi Planning and Design, Site Surveying and AI-Driven Optimization for a three-year term

IMPORTANT INSTRUCTION: The COMPUTER & INFORMATICS CENTRE, IIT Kharagpur, is planning to procure the following items/services on a PAC (Proprietary Article Certificate) basis. Interested bidders who are capable of supplying the mentioned software/cloud services on a PAC basis or otherwise are invited to submit their quotation along with the signed hardcopy of PAC notice to the address of the inviting office within 21 days from the date of issuance of this PAC Notice. Bidders are requested to include their quotation along with OEM (Original Equipment Manufacturer) Certificate, PAC Certificate, Sole Authorisation Letter from OEM (if the item/service is proprietary in nature), Land Border Sharing Certificate, Local Content Certificate, fall clause undertaking, and to mention Payment Terms, Delivery/Provisioning Timeline, and any other relevant terms and conditions.

Note:

- i. This is a formal PAC Notice to verify the market whether similar items/services are available with different OEMs/bidders and also to inform interested OEMs/bidders that there is no right to claim any Purchase Order/Work Order or any other form of compensation. Bidders should be aware that no such claims will be considered.
- ii. The firm should provide an undertaking regarding the 'fall clause', agreeing that if it supplies or quotes a lower rate to other Government, public sector or private organizations, it would reimburse the excess.

TECHNICAL SPECIFICATIONS OF THE ITEM TO BE PROCURED THROUGH PAC

Name of the item:

Ekahau AI Pro Bundle for Wi-Fi Planning, Site Surveying and AI-Driven Optimization for a period of 3 Years.

A. Technical Specifications: Refer Annexure – I

B. General Licensing / Support Requirements:

1. The Ekahau AI Pro Bundle shall be provided on a subscription basis for a three (3) year term, giving the Institute access to the latest versions of the Ekahau AI Pro software, Ekahau Connect Cloud Services and AP/Antenna model database updates covered under the subscription, for institute-wide Wi-Fi planning, site surveying and optimization.
2. The bidder/OEM shall carry out installation, activation and configuration of the Ekahau AI Pro software and the Ekahau Connect subscription (Survey App, Analyzer App, Insights Analytics, Packet Capture, Cloud Collaboration & Sync), and shall commission the Sidekick 2 measurement device, so that the Institute Network Team can begin planning, surveying and optimization with minimal manual setup.
3. The bidder/OEM shall integrate the deployment with the Institute's infrastructure and existing Wi-Fi environment, including access to project/site data, cloud collaboration accounts and, where required, the campus network for measured surveys across the institute's buildings.
4. The bidder/OEM shall provide the four-day, single-seat instructor-led Ekahau Wi-Fi Design Fundamentals training, along with configuration support and complete documentation covering software setup, survey workflow, Sidekick 2 operation, and reporting.
5. The bidder/OEM shall provide technical support, software and firmware updates/patches, and AP/antenna model database updates throughout the three-year subscription term at no extra cost, along

with named support contact and escalation details, and shall ensure continuity of the Sidekick 2 measurement device through the extended warranty for the full usage period. (Refer Annexure - I).

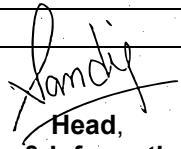

6. **The bidder shall conduct a comprehensive Wireless Survey using the Ekahau AI Pro Bundle in each Hostel, Guest House and selected Departments, as identified by the Institute, and submit a detailed Wireless Survey Report within one month from the date of product delivery. Further, during the three-year warranty period, the bidder shall also provide an Access Point (AP) deployment plan using the Ekahau AI Pro Bundle for any new building constructed or commissioned within the Institute.**
7. The bidder/OEM shall provide subscription documentation, account provisioning/activation support and contact details for technical support.
