(COMPUTER & INFORMATICS CENTRE)

**INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR
KHARAGPUR - 721302 WEST BENGAL**

Procurement of Cambridge Structural Database (CSD) Enterprise Campus License (Campus-Wide License) for 1 Year for academic use

IMPORTANT INSTRUCTION: The COMPUTER & INFORMATICS CENTRE, IIT Kharagpur, is planning to procure the following items/services on a PAC (Proprietary Article Certificate) basis. Interested bidders who are capable of supplying the mentioned software/cloud services on a PAC basis or otherwise are invited to submit their quotation along with the signed hardcopy of PAC notice to the address of the inviting office within 21 days from the date of issuance of this PAC Notice. Bidders are requested to include their quotation along with OEM (Original Equipment Manufacturer) Certificate, PAC Certificate, Sole Authorisation Letter from OEM (if the item/service is proprietary in nature), Land Border Sharing Certificate, Local Content Certificate, fall clause undertaking, and to mention Payment Terms, Delivery/Provisioning Timeline, and any other relevant terms and conditions.

Note:

- i. This is a formal PAC Notice to verify the market whether similar items/services are available with different OEMs/bidders and also to inform interested OEMs/bidders that there is no right to claim any Purchase Order/Work Order or any other form of compensation. Bidders should be aware that no such claims will be considered.
- ii. The firm should provide an undertaking regarding the 'fall clause', agreeing that if it supplies or quotes a lower rate to other Government, public sector or private organizations, it would reimburse the excess.

TECHNICAL SPECIFICATIONS OF THE ITEM TO BE PROCURED THROUGH PAC

Name of the item: Cambridge Structural Database (CSD) Enterprise Campus License (Campus-Wide License) for 1 Year.

A. **Technical Specifications:** Refer Annexure – I

B. **General Licensing / Support Requirements**

- The **Cambridge Structural Database (CSD) Enterprise Campus License (Campus-Wide License)** shall be provided on a **subscription basis for a period of one (1) year**, commencing from the date of successful delivery, installation and activation of the software at the Institute. The license shall provide campus-wide academic access to the CSD products, applications, database and associated services covered under the subscription, as permitted under the applicable CCDC licensing terms.
- The bidder/OEM shall carry out the complete **license provisioning, activation, configuration and deployment** of the CSD Enterprise Campus License for IIT Kharagpur. The bidder/OEM shall provide a demonstration of the installation and activation procedure, including user access, software download, license authentication/management and access to the CSD database and associated applications covered under the subscription.
- The bidder/OEM shall support deployment of the CSD software across the Institute for authorized academic users, laboratories, departments, centres and schools, as applicable under the Campus License. Where any **centralized/network-based licensing or institutional authentication mechanism** is applicable, the bidder/OEM shall configure and integrate the same with the Institute's existing IT/network infrastructure and provide necessary technical assistance throughout the subscription period at no additional cost.
- The bidder/OEM shall provide complete guidance and documentation regarding the **scope of the Campus License**, including the products/modules covered, permitted number/type of users, installation rights, access mechanism, concurrent/network usage restrictions, if any, remote/off-campus access provisions, and procedures for adding or managing authorized users during the subscription period.
- The bidder/OEM shall provide necessary **onsite/online training and configuration support** for administrators and end users. The training shall cover, as applicable, installation and activation, user/license management, database access, searching and retrieval of crystallographic data, use of the CSD software tools supplied under the license, software updates and basic troubleshooting.
- The bidder/OEM shall provide **complete technical documentation** covering software installation, license activation, institutional/user access, license administration, software/database updates, backup/reinstallation procedures, access renewal and troubleshooting.
- The bidder/OEM/OEM-authorized support organization shall provide **technical support, bug fixes, software updates, database updates, upgrades and patches** released for the subscribed products throughout the one-year subscription period at **no additional cost**, to the extent covered under the CSD Enterprise Campus License/support agreement.
- The bidder/OEM shall provide details of a **named technical support contact**, authorized support centre/helpdesk, contact telephone number and email address, along with an appropriate **escalation matrix** for resolution of licensing, installation, access and software-related issues.
- All software releases, database updates and other entitled updates made available during the subscription period shall be accessible to IIT Kharagpur without any additional license or subscription charge.
- The bidder/OEM shall clearly specify any additional benefits available under the **CSD Enterprise Campus License**, such as access to CCDC learning resources, webinars, technical documentation, user training materials, workshops or other academic support services, wherever included under the subscription.
- The bidder/OEM shall ensure that the **license remains valid for one full year from the date of successful delivery, installation and activation at IIT Kharagpur**, and not from the date of quotation, purchase order or any predetermined calendar date.
