

CYBERSECURITY AWARENESS CIRCULAR

Circular No.	Date	Subject	Category
CISO/SEC/AWR/01	18/08/2026	Cybersecurity Awareness Material	Awareness / Advisory

Dear Users,

As part of the Institute's ongoing cybersecurity awareness and preparedness initiatives, the following awareness material is being circulated for the information and benefit of all users. All users are requested to read the material carefully and follow the recommended security practices.

AWARENESS TOPIC / ADVISORY

Title: Cybercrime Prevention Handbook (Enclosed)

Key Message: Essential Dos and Don'ts for latest CyberCrimes

Reference / Material: Circulated by Indian Cyber Crime Coordination Centre, Ministry of Home Affairs(MHA)

Key Security Practices

- Do not share passwords, OTPs, authentication codes, or confidential information with anyone.
- Use strong, unique passwords and enable Multi-Factor Authentication (MFA) wherever available.
- Do not click suspicious links or open unexpected attachments; verify the sender before responding.
- Keep operating systems, applications, browsers, and antivirus/security software updated.
- Lock your computer when unattended and avoid using unknown USB devices or untrusted networks.
- Immediately report suspected phishing, malware, account compromise, or other cybercrime incidents to www.cybercrime.gov.in or call 1930.

ACTION REQUESTED

Users are requested to review the circulated material and incorporate the recommended security practices in their day-to-day use of Institute IT resources.

For reporting all cybersecurity incidents / seeking assistance internally: Write to CIC helpdesk(helpdesk@cc.iitkgp.ac.in) with a cc to dciso@iitkgp.ac.in and ciso@iitkgp.ac.in
