

IBM SPSS Statistics 29 and IBM SPSS Amos 29 Installation Guide

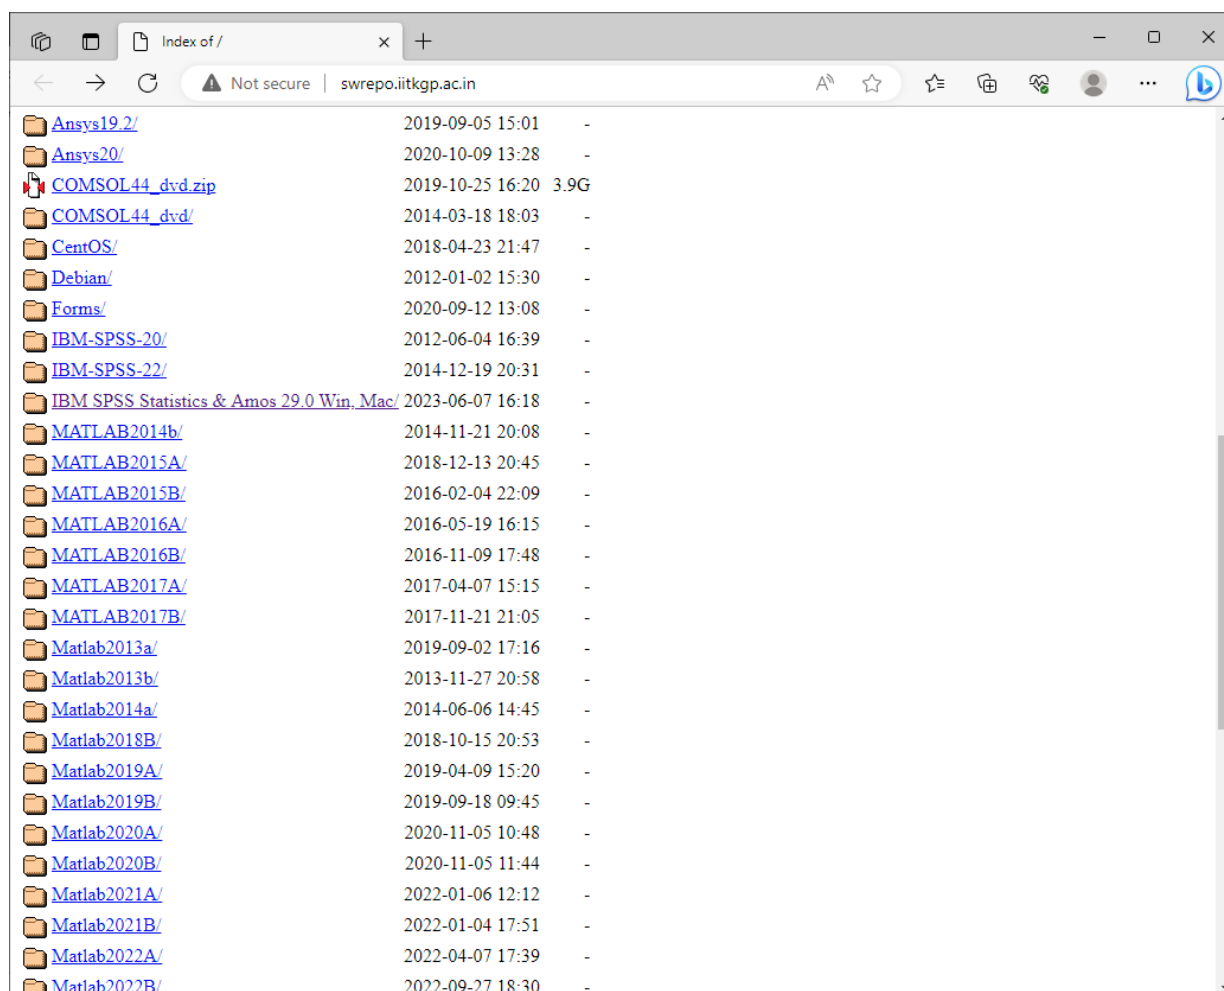

Windows Installation Manual
Central Computer & Informatics Centre (CIC)
Indian Institute of Technology Kharagpur

This document provides step-by-step instructions for installing **IBM SPSS Statistics 29** and configuring **IBM SPSS Amos 29** licensing on Windows systems using the CIC Software Repository. All screenshots from the provided archive have been included and placed with their corresponding steps.

Important Note: Download the installer from the CIC Software Repository at <http://swrepo.iitkgp.ac.in>. Ensure that the license manager server details are available before completing licensing.

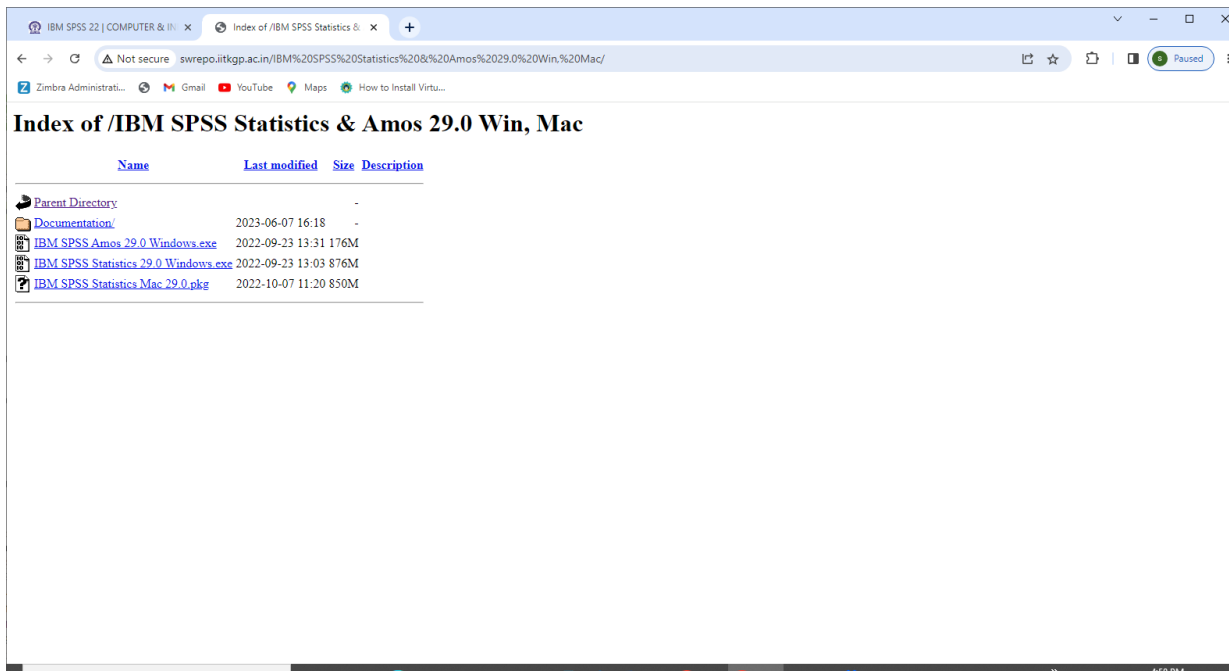

IBM SPSS Statistics 29 Installation Instructions

Step 1: Go to the CIC Software Repository website: <http://swrepo.iitkgp.ac.in>.

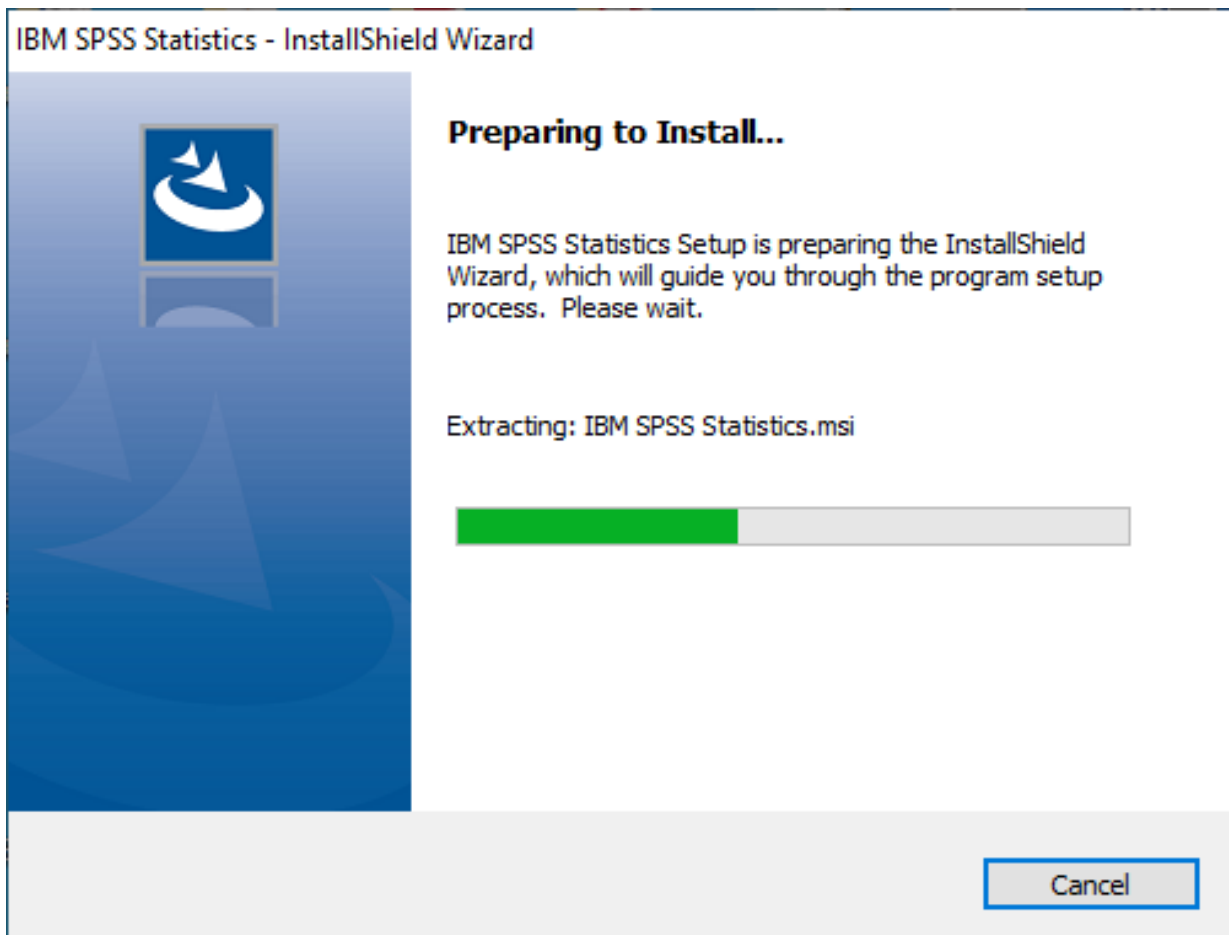

Screenshot 1

Step 2: Download IBM SPSS 29.0 Windows.exe to the local machine.

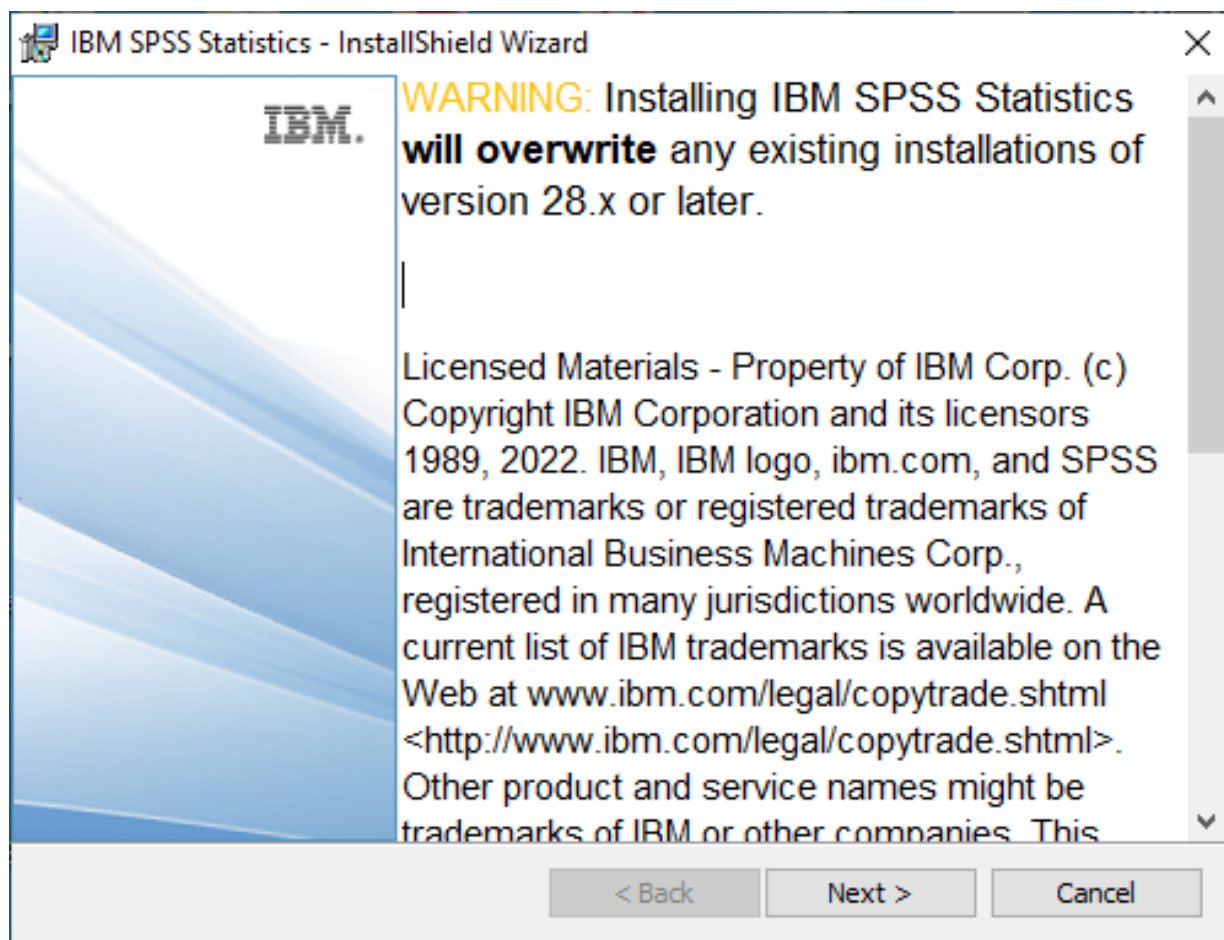

Screenshot 2

Step 3: Run IBM SPSS Statistics 29.0 Windows.exe.

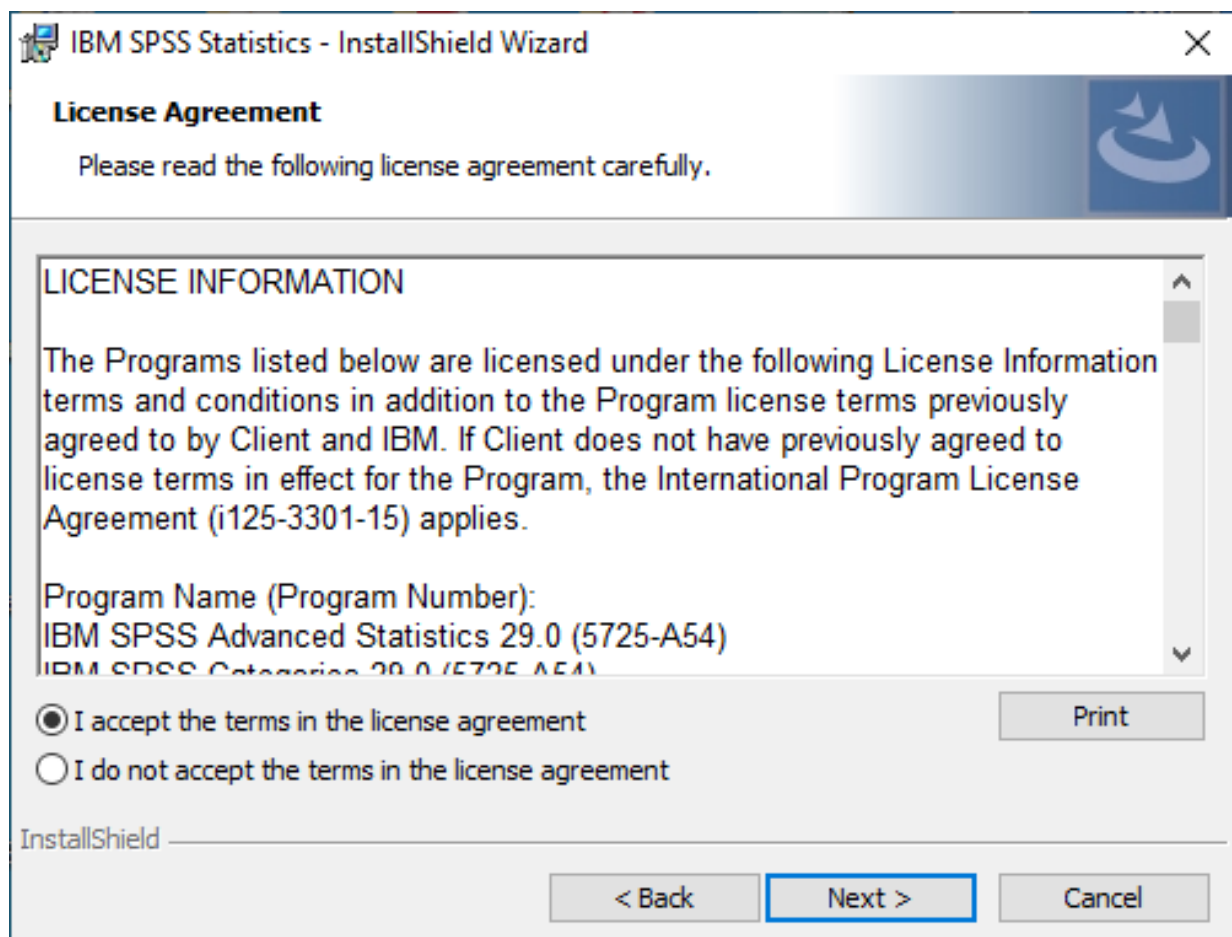

Screenshot 3

Step 4: Click Next.

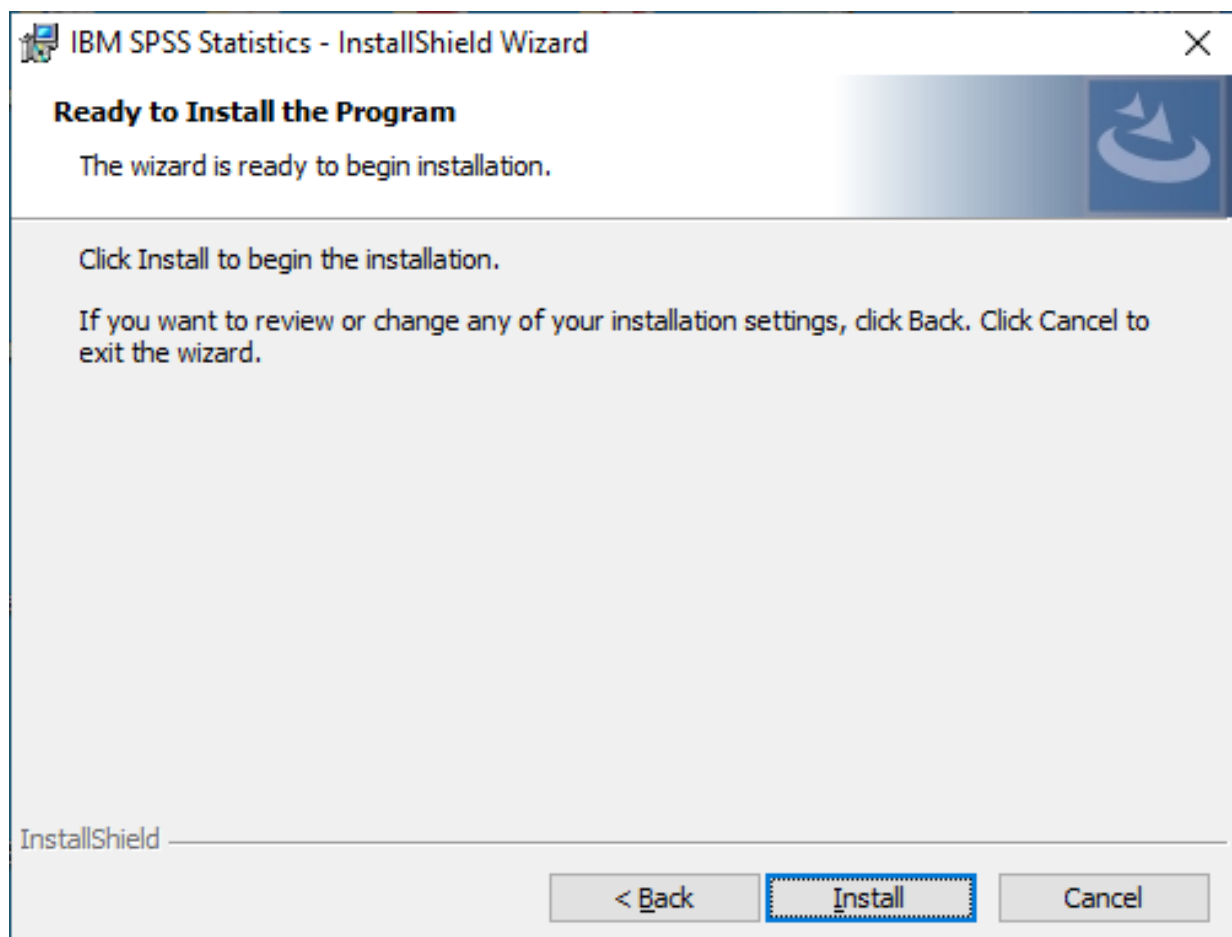

Screenshot 4

Step 5: Accept the terms and click Next.

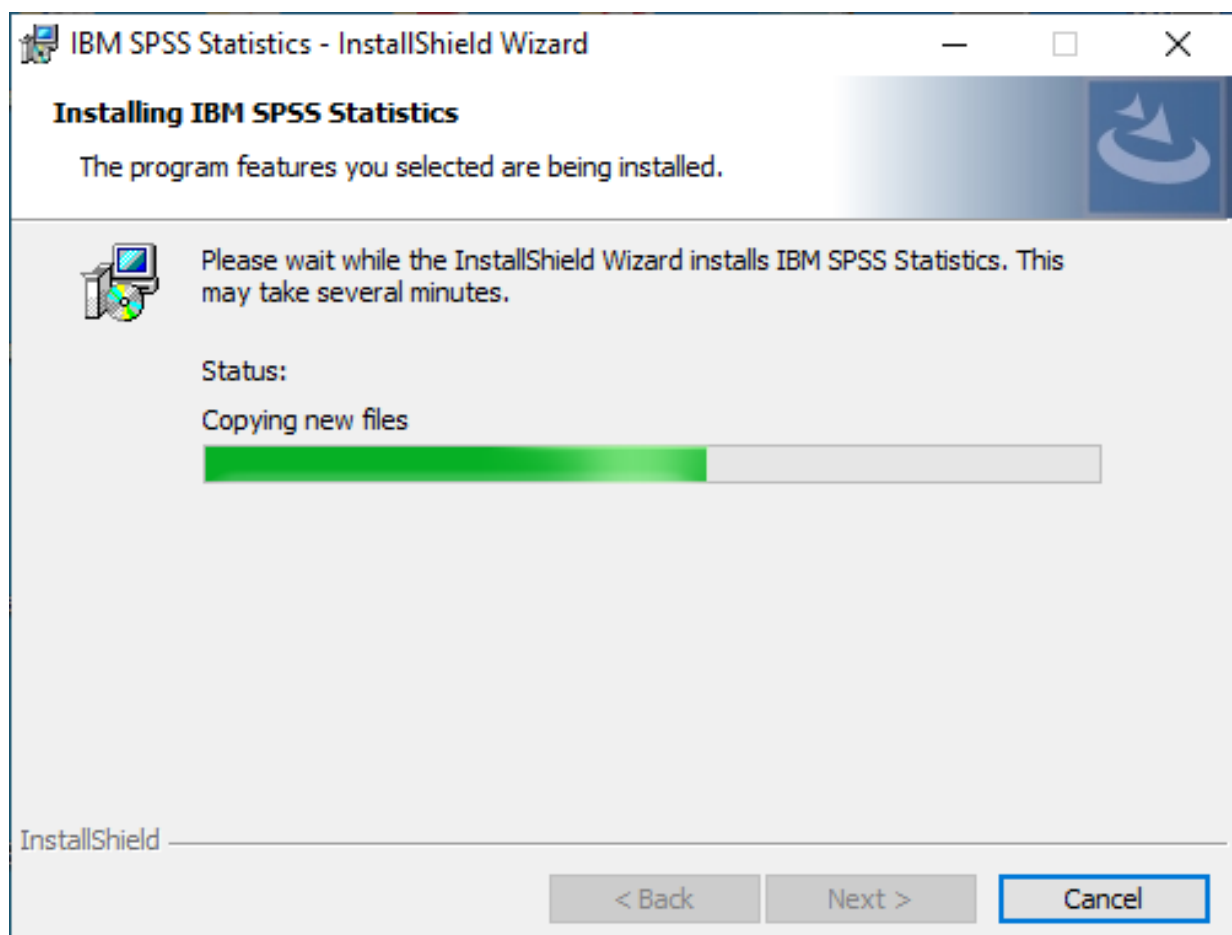

Screenshot 5

Step 6: Click *Install* and wait for the installation process to continue.

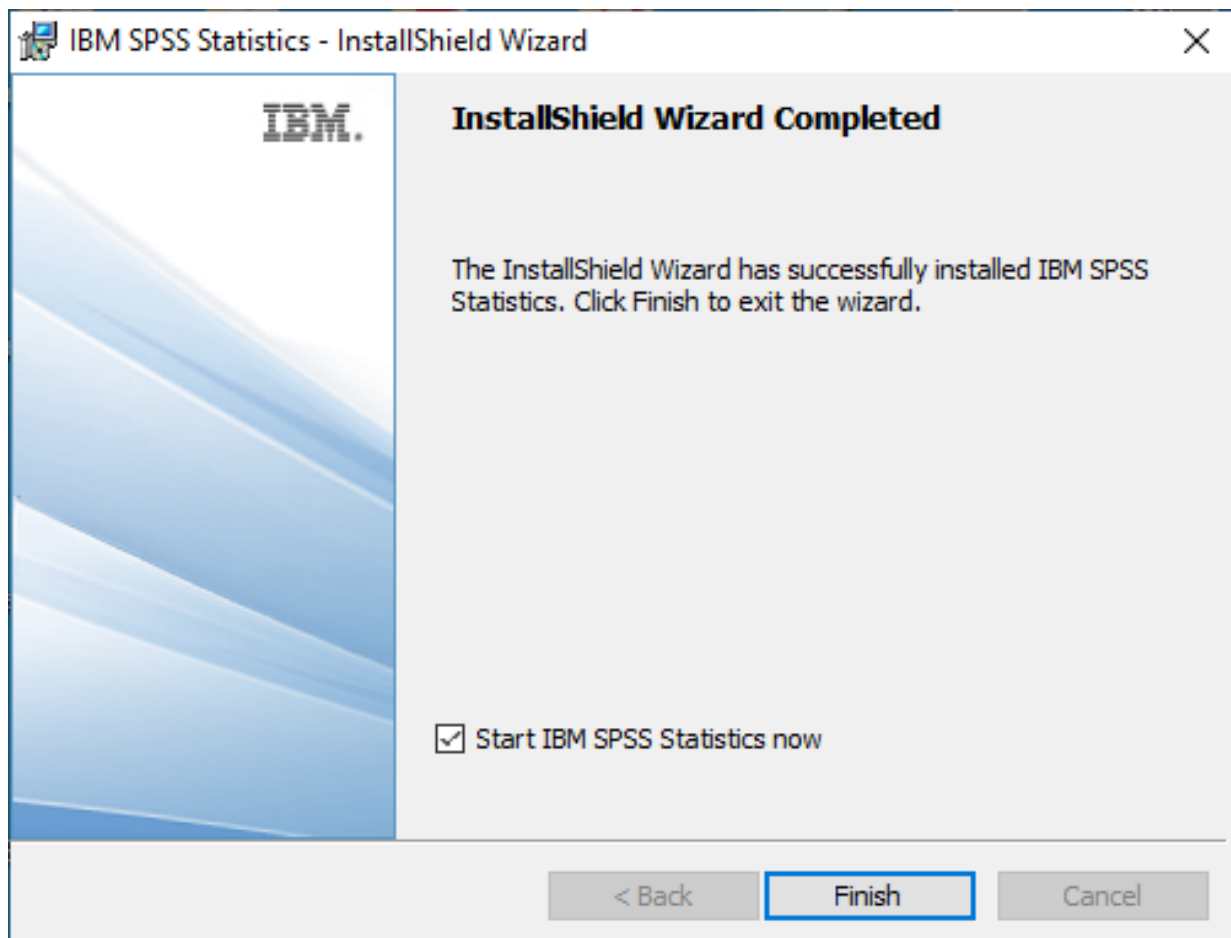

Screenshot 6

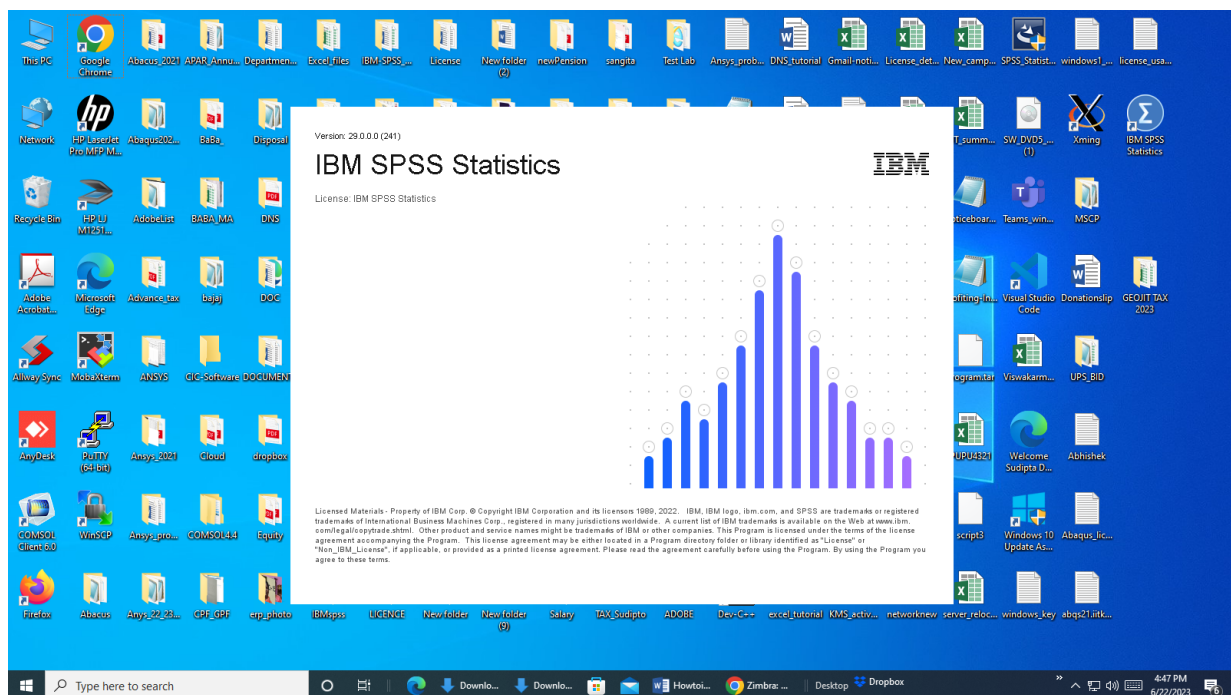

Screenshot 7

Step 7: Click Finish.

Screenshot 9

Step 8: Click Launch License Wizard.

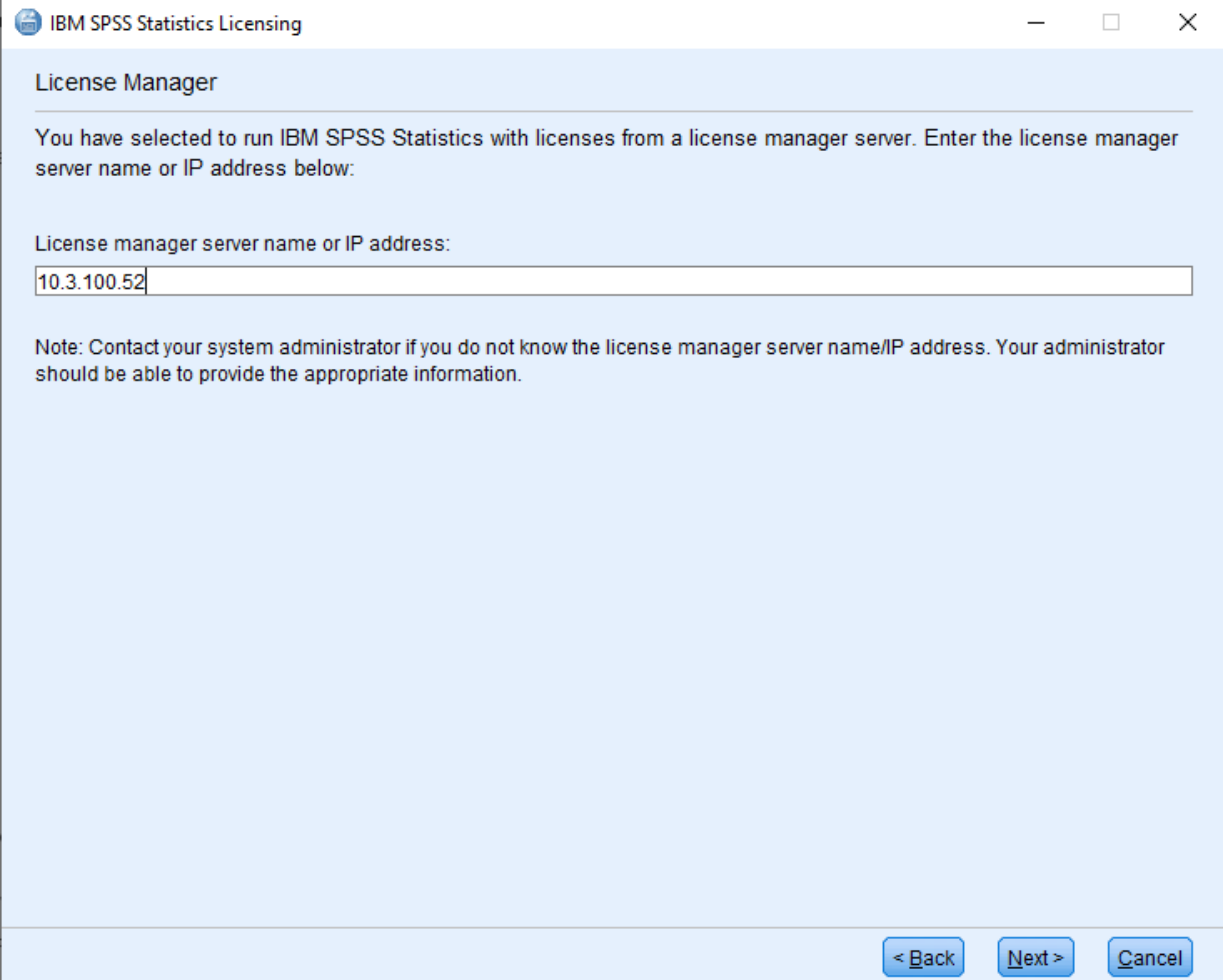

Screenshot 10

Step 9: Click Next.

Screenshot 11

Step 10: Enter the License Manager Server IP address and click Next.

The image shows a Windows-style dialog box titled "IBM SPSS Statistics Licensing". The window has a light blue background and standard window controls (minimize, maximize, close) in the top right corner. The title bar is white with the IBM logo and the text "IBM SPSS Statistics Licensing".

Below the title bar, the text "License Manager" is displayed in a bold font. A horizontal line separates this header from the main content area. The main content area contains the following text:

You have selected to run IBM SPSS Statistics with licenses from a license manager server. Enter the license manager server name or IP address below:

License manager server name or IP address:

10.3.100.52

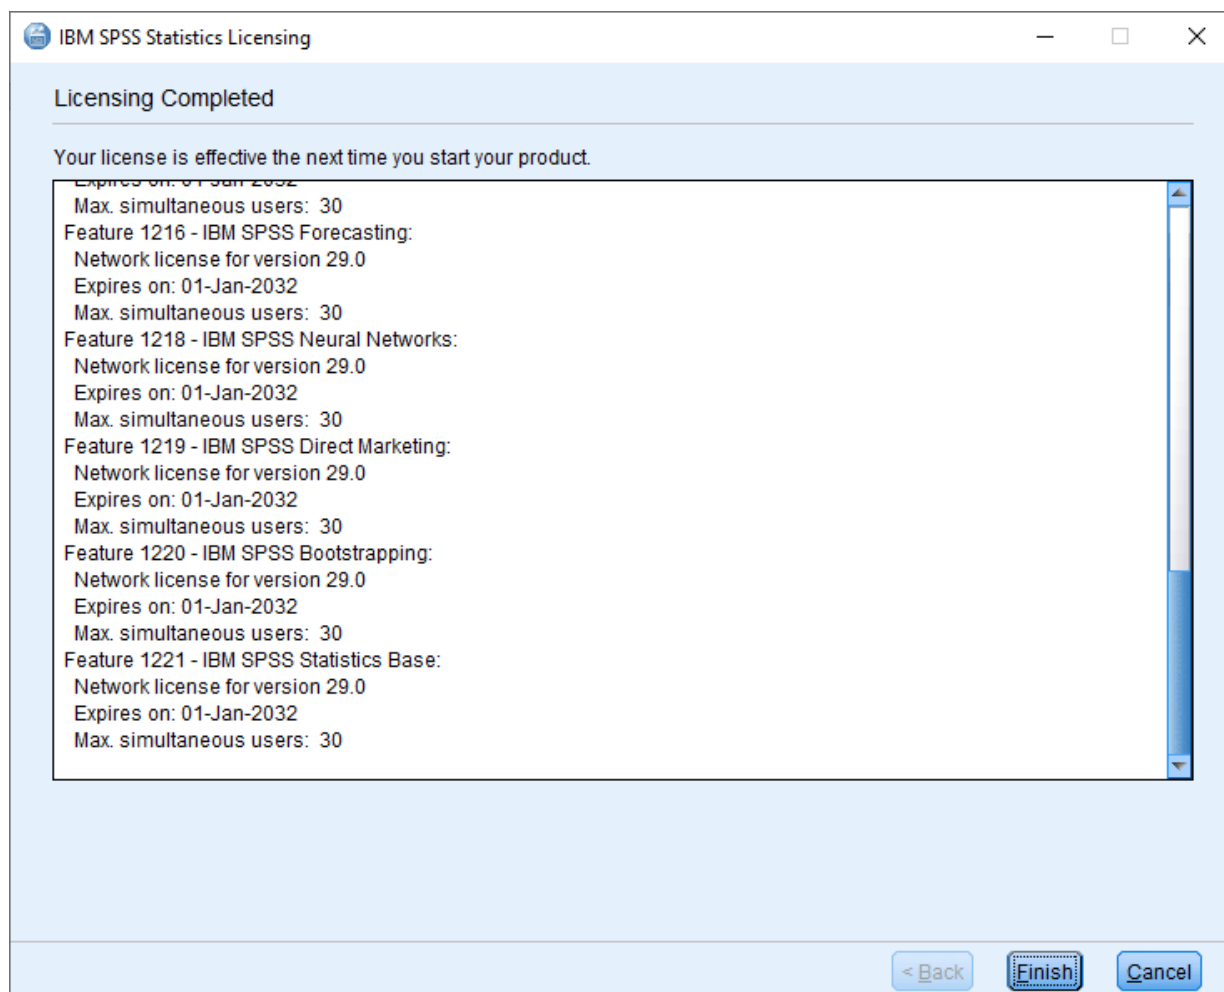

Below the input field, a note is displayed:

Note: Contact your system administrator if you do not know the license manager server name/IP address. Your administrator should be able to provide the appropriate information.

At the bottom right of the dialog box, there are three buttons: "< Back", "Next >", and "Cancel".
